## Nervous Worn-Out

If you are in this condition, your nerve force is weak—the power is forcing out, the organs of your body have "slowed up," and do their work imperfectly. This failure to do the work required, clogs the system and brings distress and disease. When the nerves are weak the heart is unable to force the life-giving blood through your veins; the stomach fails to digest food; the kidneys lack power to filter impurities from the blood, and the poisonous waste remains in the system to breed disease. Nerve energy must be restored. Dr. Miles' Nervine will do it, because it strengthens the nerves; it is a nerve medicine and tonic, that rebuilds the entire nervous system.

"Several years ago I was all broken down. I was nervous, worn-out, could not sleep, and was in constant pain. I doctored for months, and finally the doctor said he could do nothing for me. I began taking Dr. Miles' Nervine, and used it for eight bottles, and I became strong and healthy, and now weigh 170 pounds." H. C. CUNNINGHAM, 108 Ellsworth Ave., Allegheny, Pa.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

### CELL FOR LIFE.

Wife Murderer, Who Put Body in Trunk, Sentenced at Albany, N. Y.

Albany, N. Y., Oct. 17.—John Cross Hammond was yesterday found guilty of murder in the second degree and sentenced to prison for life.

John Cross Hammond confessed in February that he had murdered his wife, Elizabeth Wilbur-Crump Hammond, Nov. 12, and placed her body in a trunk in their home on South Ferry street, where it was found by the police two weeks later.

He said he had quarreled with his wife and had struck her with a glass, which caused her death. After doubling up the body he placed it in the trunk. He then went to a store and bought chloride of lime, which he sprinkled over the body and all around the apartments. Hammond said he murdered his wife to get her money. When he left Albany he had about \$1,400, which his wife had drawn from the bank with the intention of buying a farm.

Hammond is 24 years old and a cabinet maker. He was married to Mrs. Wilbur-Crump a few years ago. She was twice his age, and is said to have been extremely jealous of him.

### Timely and Valuable Suggestions.

Many people, especially women who lead closely confined domestic lives, suffer from what in general terms is called "nervousness." Among all forms of treatment none has been approached in success as the intelligent use of Dr. David Kennedy's Favorite Remedy, of Honolulu, N. Y., which promotes an easy and natural action of the digestive organs and imparts tone to the nervous system.
